Cross Country Camp

At Stonehill Cross Country Camp, we offer sports instruction right on the campus of Stonehill College for campers in grades 8-12. We give your student-athlete access to premier, state-of-the-art facilities and instruction from NCAA-level coaches. Our program has been extremely successful on both the Men's and Women's side over the past decade. This is due both to the premier coaching as well as the nearby training grounds. Stonehill has miles of running-friendly trails in which our own All-American athletes use to train on.

Our Cross Country camp starts by giving each camper a comprehensive plan to develop them in every aspect of their specific needs as an emerging athlete. We work on general conditioning, drill work, running workouts, weight-training, and technique with the goal of producing outstanding meet results.

You can choose from either day or overnight options.

Our Head Coach

Coach **Karen Boen** is now in her 11th season as Head Cross Country Coach at Stonehill College. Boen has brought the men's and women's cross country and track and field programs to national prominence, collecting countless conference, regional and national awards along the way. She has collected a combined 10 Northeast – 10 Coach of the Year Awards and nine more NCAA Northeast Region Coach

of the Year Awards, while advancing her teams to the NCAA Championships.

Boen's teams have excelled in the classroom as well, making eight straight appearances on the NCAA Division II All-Academic Team. Nearly every single school record has been rewritten since her arrival and 21 student-athletes have collected All-America honors.

Boen is a graduate of Bridgewater (Mass.) State College with a degree in exercise physiology.
